

Carlos Fire Department

Attendance Policy for Training and Meetings.

Revised 1/1/2022

- Attendance at 6 meetings is required per year.
- 12 two-hour minimum trainings are required per year on the department equipment
- One training per year must be with a certified instructor
- Any make up trainings must be with or authorized by a training officer
- If the minimum number of trainings have not been met, the fireman will be put on probation for one year. If the fireman fails to meet minimum requirements in the probationary year, they will self-terminate themselves from the department.
- No fireman shall be on probation more than two times during their years of service. The third time a fireman is placed on probation will be grounds for automatic termination.
