Dear City Administrator, Manager, or Clerk --

The League of Minnesota Cities is once again encouraging our state's 4th, 5th, and 6th graders to share ideas about how they would make cities better through submitting essays in the League's "Mayor for a Day" essay contest.

Contest information can be found at www.lmc.org/mayorforaday. We encourage you to share this link with the elementary schools in your city and consider publishing it on your city's website as well as the next issue of your city newsletter. We have also shared contest information with your city's mayor.

Three winning students will be chosen from among submitted entries. Each winning student will receive \$100 and will have their essay published in a future issue of *Minnesota Cities* magazine. If a student from your city wins, we are happy to share ideas on public recognition you can consider in your own community.

Thanks in advance for helping spread the word about this popular contest. Please feel free to contact me if you have questions.
