Good morning Lori,

I wanted to get in touch with you to see if you might be interested in being a potential holiday string light/cord drop off for the upcoming holiday season. We currently have several locations throughout city of Alexandria (ACE and power companies) and Pope County but are looking to expand accessibility to more residents in North Douglas County.

We would supply the bins, signs, and pick up of the bins once they are full of lights/cords so you would not have to do anything else other than provide a location spot. The collection would go from November 15th – January 31st 2025 and all bins would be picked up the following Monday, 2/3/2025.

If this is something that you would be interested in, please let me know Thursday (10/31) or Friday (11/1) this week so that we may include you in our upcoming advertising. If you have any questions, don't hesitate to email or give my cell a call.

Cell: 320-304-7968

Thank you! 😊

Arthur Pattengale
