

SKYWARN Spotter Training

Douglas County Emergency Management and the National Weather Service invite you to a free spotter training class.

Thursday, March 17

6:30 - 8:30 p.m.

**Douglas County Public Works
526 Willow Drive, Alexandria**

This class will teach participants to identify the storms that may impact lives. This will help them, and our community, be better prepared.

Attendees may also register as an official NWS spotter.

Please RSVP by March 14 to Julie Anderson
